

Already on the camera. Recut these before a new drive.

Places Holly has actually been — from her posted TikToks plus the filmed-not-posted bank. Account started April 2026, so winter is reuse, not new visits.

Coloured labels = Halloween, half term, Christmas, rainy, special. NOT POSTED = filmed, still to go on the grid. Audley End Halloween is a going post, not a been.

• **Autumn · use now**
